

His Caged Kitty books

His Caged Kitty Here kitty, kitty

His voice.

His command.

I became weak.

He became my Master the day he saved me and stole me away. I was his pet. His property.

A caged kitty so I would not run away.

In a dark and futuristic world, where civilization has to start over, I have no other options. I must submit to a new way of life.

But if the cage unlocks, will I truly be free of my captor? Or will something far greater keep me contained?
